In this regard, Declarant intends that the Lots shall form a residential community with homes constructed of high quality materials. The decision to approve or refuse approval of a proposed Improvement shall be exercised by Declarant to promote development of the Lots and to protect the values, character and residential quality of all Lots. If Declarant determines that the proposed Improvement will not protect and enhance the integrity and character of all the Lots and neighboring Lots as a quality residential community, Declarant may refuse approval of the proposed Improvement.

C. Written Notice of any approval of a proposed Improvement shall be mailed (or faxed) to the owner at the address specified by the owner upon submission of the plans. Such notice shall be mailed (or faxed), if at all, within thirty (30) days after the date of submission of the plans. Dog runs or kennels shall be permitted only with the approval of the Declarant, or its assigns; provided always that any permitted dog run or kennel shall be located immediately adjacent to the rear of the residence. No animals, livestock, agricultural-type animals, fowl, or poultry of any kind, including pot-bellied pigs, shall be raised, bred or kept on any Lot, except that dogs, cats, or other household pets maintained within the residential structure may be kept, provided that they are not kept, bred or maintained for any commercial purpose and, provided, that they are kept confined to the Lot of their Owner and are not permitted to run loose outside the Lot of the Owner.

17. Any exterior air conditioning condenser unit shall be placed in the rear yard or any side yards so as not to be visible from public view. No grass, weeds or other vegetation will be grown or otherwise permitted to commence or continue, and no dangerous, diseased or otherwise objectionable shrubs or trees will be maintained on any Lot so as to constitute an actual or potential public nuisance, create a hazard or undesirable proliferation, or detract from a neat and trim appearance. Vacant Lots shall not be used for dumping of earth or any waste materials, and no vegetation on vacant Lots shall be allowed to reach a height in excess of twelve (12) inches.

18. No Residence shall be constructed on a Lot unless the entire Lot, as originally platted, is owned by one owner of such Lot, except if parts of two or more platted Lots have been combined into one Lot which is at least as wide as the narrowest Lot on the original plat, and is as large in area as the largest Lot in the original plat.

B. The promulgation, enactment, amendment and enforcement of rules and regulations relating to the use and enjoyment of any Common Facilities, provided always that such rules are uniformly applicable to all Members. The rules and regulations may permit or restrict use of the Common Facilities by Members, their families, their guests, and/or by other persons, who may be required to pay a fee or other charge in connection with the use or enjoyment of the Common Facility.

C. The exercise, promotion, enhancement and protection of the privileges and interests of the residents of Cheyenne Country Estates; and the protection and maintenance of the residential character of Cheyenne Country Estates.

2. Membership and Voting. Cheyenne Country Estates is divided into seventy-one (71) residential lots (referred to as the "Lots"). The "Owner" of each Lot shall be a Member of this Association. For purposes of this Declaration, the term "Owner" of a Lot means and refers to the record owner, whether one or more persons or entities, of fee simple title to a Lot, but excluding however those parties having any interest in any of such Lot merely as security for the performance of an obligation (such as a contract seller, the trustee or beneficiary of a deed of trust, or a mortgagee). The purchaser of a Lot under a land contract or similar instrument shall be considered to be the "Owner" of the Lot for purposes of this Declaration. Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

The Owner of each Lot, whether one or more persons and entities, shall be entitled to one (1) vote on each matter properly coming before the Members of the Association.

3. Purposes and Responsibilities. The Association shall have the powers conferred upon not for profit corporations by the Nebraska Nonprofit Corporation Act, and all powers and duties necessary and appropriate to accomplish the Purposes and administer the affairs of the Association. The powers and duties to be exercised by the Board of Directors, and upon authorization of the Board of Directors by the Officers, shall include but shall not be limited to the following:

A. The acquisition, development, maintenance, repair, replacement, operation and administration of Common Facilities, and the enforcement of the rules and regulations relating to the Common Facilities.

B. The landscaping, mowing, watering, repair and replacement of parks and other public property and improvements on parks or public property within or near Cheyenne Country Estates.

E

C. The fixing, levying, collecting, abatement, and enforcement of all charges, dues, or assessments made pursuant to the terms of this Declaration.

D. The expenditure, commitment and payment of Association funds to accomplish the purposes of the Association including, but not limited to, payment for purchase of insurance covering any Common Facility against property damage and casualty, and purchase of liability insurance coverages for the Association, the Board of Directors of the Association and the Members.

E. The exercise of all of the powers and privileges, and the performance of all of the duties and obligations of the Association as set forth in this Declaration, as the same may be amended from time to time.

F. The acquisition by purchase or otherwise, holding, or disposition of any right, title or interest in real or personal property, wherever located, in connection with the affairs of the Association.

G. The deposit, investment and reinvestment of Association funds in bank accounts, securities, money market funds or accounts, mutual funds, pooled funds, certificates of deposit or the like.

H. The employment of professionals and consultants to advise and assist the Officers and Board of Directors of the Association in the performance of their duties and responsibilities for the Association.

I. General administration and management of the Association, and execution of such documents and doing and performance of such acts as may be necessary or appropriate to accomplish such administration or management.

J. The doing and performing of such acts, and the execution of such instruments and documents, as may be necessary or appropriate to accomplish the purposes of the Association.

4. Mandatory Duties of Association. The Association shall maintain and repair the fence, signs and landscaping which have been installed in easement areas of the Cheyenne Country Estates subdivision and center islands dividing dedicated roads, in generally good and neat condition.

5. Imposition of Dues and Assessments. The Association may fix, levy and charge the Owner of each Lot with dues and assessments (herein referred to respectively as "dues and assessments") under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the times and in the manner prescribed by the Board.

6. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

7. Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

F

8. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association described in Section 1 of this Article, and to perform the Powers and Responsibilities of the Association described in Sections 3 and 4 of this Article.

9. Maximum Annual Dues. Unless excess dues have been authorized by the Members in accordance with Section 11, below, the aggregate dues which may become due and payable in any year shall not exceed the greater of:

A. Two Hundred Fifty and no/100 Dollars (\$250.00) per Lot.

B. In each calendar year beginning on January 1, 2006, one hundred twenty-five percent (125%) of the aggregate dues charged in the previous calendar year.

10. Assessments for Extraordinary Costs. In addition to the dues, the Board of Directors may levy an assessment or assessments for the purpose of defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair, painting, maintenance, improvement, or replacement of any Common Facility, including fixtures and personal property related thereto, and related facilities. The aggregate assessments in each calendar year shall be limited in amount to Five Hundred and no/100 Dollars (\$500.00) per Lot.

11. Excess Dues and Assessments. With the approval of seventy-five percent of the Members of the Association, the Board of Directors may establish dues and/or assessments in excess of the maximums established in this Declaration.

12. Uniform Rate of Assessment. Assessments and dues shall be fixed at a uniform rate as to all Lots, but dues may be abated as to individual Lots, as provided in Section 5, above.

13. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.

14. Effect of Nonpayment of Assessments-Remedies of the Association. Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues or assessment shall bear interest from the due date at the rate of sixteen percent (16%) per annum, compounded annually. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Area or abandonment of an Owner's Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

15. Subordination of the Lien to Mortgage. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

Upon the recording of any Subsequent Phase Declaration which expands the residential lots included in the Association, the additional lots identified in the Subsequent Phase Declaration shall be considered to be and shall be included in the "Lots" for purposes of this Article II, and the Owners of the additional residential lots shall be Members of the Association with all rights, privileges and obligations accorded or accruing to Members of the Association.

G

ARTICLE III.
EASEMENTS

1. A perpetual license and easement is hereby reserved in favor of and granted to Omaha Public Power District, Qwest Corporation, and any company which has been granted a franchise to provide a cable television system within the Lots, Metropolitan Utilities District., Aquila Energy Company, and Sanitary and Improvement District No. 255 of Sarpy County, Nebraska, their successors and assigns, to erect and operate, maintain, repair and renew buried or underground sewers, water and gas mains and cables, lines or conduits and other electric and telephone utility facilities for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service and for the transmission of signals and sounds of all kinds including signals provided by a cable television system and the reception on, over, through, under and across a five (5) foot wide strip of land abutting the front and the side boundary lines of the Lots; an eight (8) foot wide strip of land abutting the rear boundary lines of all interior Lots and all exterior lots that are adjacent to presently platted and recorded Lots; and a sixteen (16) foot wide strip of land abutting the rear boundary lines of all exterior Lots that are not adjacent to presently platted and recorded Lots. The term exterior Lots is herein defined as those Lots forming the outer perimeter of the Lots. The sixteen (16) foot wide easement will be reduced to an eight (8) foot wide strip when such adjacent land is surveyed, platted and recorded.

2. A perpetual easement is further reserved for the Metropolitan Utilities District of Omaha, Aquila Energy Company, their successors and assigns to erect, install, operate, maintain, repair and renew pipelines, hydrants and other related facilities, and to extend thereon pipes, hydrants and other related facilities and to extend therein pipes for the transmission of gas and water on, through, under and across a five (5) foot wide strip of land abutting all cul-de-sac streets; this license being granted for the use and benefit of all present and future owners of these Lots; provided, however, that such licenses and easements are granted upon the specific conditions that if any of such utility companies fail to construct such facilities along any of such Lot lines within thirty-six (36) months of date hereof, or if any such facilities are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then such easement shall automatically terminate and become void as to such unused or abandoned easement ways. No permanent buildings, trees, retaining walls or loose rock walls shall be placed in the easement ways but same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforementioned uses or rights granted herein.

3. In the event that ninety percent (90%) of all Lots within the subdivision are not improved within five (5) years after the date on which Qwest Corporation files notice that it has completed installation of telephone lines to the Lots in the subdivision (herein the "Subdivision Improvement Date"), then Qwest Corporation may impose a connection charge on each unimproved Lot in the amount of Four Hundred Fifty and no/100 Dollars (\$450.00). A Lot shall be considered as unimproved if construction of a permanent structure has not commenced on a Lot. Construction shall be considered as having commenced if a footing inspection has been requested on the Lot in question by officials of the City or other appropriate governmental authority.

Should such charge be implemented by Qwest Corporation and remain unpaid, then such charge may draw interest at the rate of twelve percent (12%) per annum commencing after the expiration of sixty (60) days from the time all of the following events shall have occurred: (1) the Subdivision Improvement Date, and (2) Qwest Corporation sends each owner of record a written statement or billing for Four Hundred Fifty and no/100 Dollars (\$450.00) for each unimproved Lot.

4. Other easements are provided for in the final plat of Cheyenne Country Estates which is filed in the Register of Deeds of Sarpy County, Nebraska on September 21, 2004 in the Deeds Records of Sarpy County, Nebraska at Instrument No. 2004-36432.

M

ARTICLE V.

Failure by the Declarant or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity. This Declaration may be amended by Cheyenne Country Estates, LLC, a Nebraska limited liability company, or any person, firm, corporation, partnership, or entity designated in writing by Cheyenne Country Estates, LLC, a Nebraska limited liability company, in any manner which it may determine in its full and absolute discretion for a period of five (5) years from the date hereof. 3. Cheyenne Country Estates, LLC, a Nebraska limited liability company, or its successors or assigns, may terminate its status as Declarant under this Declaration, at any time, by filing a Notice of Termination of Status as Declarant. Upon such filing, Association may appoint itself or another entity, association or individual to serve as Declarant, and such appointee shall thereafter serve as Declarant with the same authority and powers as the original Declarant.

4. Invalidation of any covenant by judgment or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.
