This packet of documents relating to a real estate purchase agreement is made available to assist you in the furtherance of a real estate transaction. We at Midwest Title, like all title companies, are prohibited by law from helping you fill out these forms, advising you about the forms, or negotiating any part of a real estate deal. As a matter of fact, we have an attorney who we call on when we have questions of a legal nature, and it proves very beneficial to us.

Also, these forms do not cover all circumstances. For instance, sometimes a home inspection is requested and the right provisions have to be made for that. Also, sometimes a person makes the purchase of a home contingent upon the sale of theirs. Nothing in these documents covers that. You should have a lawyer for those matters. Finally, you may have legal questions about the meaning of some of the items on these forms and you should know the legal answers before you proceed.

Our attorney, Thomas J. Anderson, Esq. has authorized us to use his name as a reference for anyone who needs legal services in connection with these, or other matters. He has been a Nebraska and Iowa lawyer for 29 years, and he can inform you about fees and charges when you contact him. His number is 884-4430 or [lawyers@cox.net](mailto:lawyers@cox.net) and if you should call him, you should mention that you were referred by us. If you have another attorney instead, we absolutely encourage you to contact your attorney regarding the impact of these forms and to assist you in this very important real estate transaction.

After negotiations of the purchase contract we will open escrow and perform the following:

1. Issue a title insurance commitment and take the necessary actions to convey clear and marketable title to real estate.
2. Act as agent during closing procedures as well as coordinate time and place for closing
3. Order the wood destroying insect inspection and plot plan as required by the buyer's lender.
4. Order payoff information from current lien holders as disclosed in the title insurance commitment.
5. Prepare the settlement statement and balance figures with the buyer's lender.
6. Record all legal documents in the transaction at the county courthouse where the real estate is located.
7. Disburse all funds according to the settlement statement to insure proper payoff and clear title.

Sincerely,

David P. Welte

## LEAD-BASED PAINT & LEAD-BASED PAINT HAZARDS ADDENDUM TO PURCHASE AGREEMENT

ON PROPERTY LOCATED AT \_\_\_\_\_  
Environmental Protection Agency (EPA) and U.S. Department of Housing and Urban Development (HUD)  
**LEAD-BASED PAINT & LEAD-BASED PAINT HAZARDS  
TARGET HOUSING AND EXEMPTIONS**

Target Housing is defined as any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than 6 years of age resides or is expected to reside in such housing) or any 0-bedroom dwelling in which the living area is not separated from the sleeping area, including efficiencies, studio apartments, dormitory housing, military barracks, and rentals of individual rooms in residential dwellings.

The Regulations regarding lead-based paint in residential structures apply to all transactions to sell or lease target housing, including subleases, with the exception of the following:

- (a) Sales of target housing at foreclosure.
- (b) Leases of target housing that have been found to be lead-based paint free by an inspector certified under the Federal certification program or under a federally accredited State or tribal certification program. Until a Federal certification program or federally accredited State certification program is in place within the State, inspectors shall be considered qualified to conduct an inspection for this purpose if they have received certification under any existing State or tribal inspector certification program. The lessor has the option of using the results of additional test(s) by a certified inspector to confirm or refute a prior finding.
- (c) Short-term leases of 100 days or less, where no lease renewal or extension can occur.
- (d) Renewals of existing leases in target housing in which the lessor has previously disclosed all information required and where no new information has come into the possession of the lessor. For the purposes of this paragraph, renewal shall include both renegotiation of existing lease terms and/or ratification of a new lease. Disclosure is required when the lease is originally signed. Disclosure MUST, therefore, be made when renewing leases which were in place prior to December 6, 1996, for owners of one to four residential dwellings and September 6, 1996, for owners of more than four residential dwellings.

**Lead-Based Paint Testing Contingency:** This contract is contingent upon a risk assessment or inspection of the property for the presence of lead-based paint and/or lead-based paint hazards at the Purchaser's expense until 9:00 p.m.  on the tenth calendar day after acceptance  or the following mutually agreed upon date \_\_\_\_\_. This contingency will terminate at the above predetermined deadline unless the Purchaser (or the Purchaser's agent) delivers to the Seller (or the Seller's agent) a written contract addendum listing the specific existing deficiencies and corrections needed, together with a copy of the inspection and/or risk assessment report. The Seller may, at the Seller's option, within 10 days after delivery of the addendum, elect in writing whether the correct the condition(s) prior to settlement. If the Seller will correct the condition, the Seller shall furnish the Purchaser with certification from a risk assessor or inspector demonstrating that the condition has been remedied before the date of the settlement. If the seller does not elect to make the repairs or if the Seller makes a counter-offer, the Purchaser shall have 10 days to respond to the counter-offer or remove this contingency and take the property in "as is" condition or this contract shall become void. The Purchaser may remove this contingency at any time without cause.

### TARGET HOUSING SALES DISCLOSURE OF INFORMATION ON LEAD-BASED PAINT AND LEAD-BASED PAINT HAZARDS

*Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessment or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards.
